(2) Overview of Financial Position for the Period under Review

As of December 31, 2024, current assets were ¥240,709 million, a decrease of ¥4,503 million compared with that at the end of the previous fiscal year. This was primarily due to a decrease in cash and deposits of ¥19,848 million, despite increases in notes and accounts receivable-trade of ¥5,778 million and merchandise and finished goods of ¥9,874 million. Noncurrent assets were ¥217,904 million, an increase of ¥25,649 million compared with that at the end of the previous fiscal year. This was due to increases in property, plant and equipment of ¥10,805 million, mainly due to an increase in construction in progress, and intangible assets of ¥19,402 million, mainly due to an increase in goodwill, despite a decrease in investments and other assets of ¥4,558 million mainly due to a decrease in investment securities.

As a result, total assets were ¥458,614 million, an increase of ¥21,145 million compared with that at the end of the previous fiscal year.

As of December 31, 2024, current liabilities were ¥101,305 million, an increase of ¥20,647 million compared with that at the end of the previous fiscal year. This was primarily due to increases in short-term loans payable of ¥17,681 million and

commercial papers of ¥9,000 million, despite a decrease in current portion of bonds of ¥5,000 million. Noncurrent liabilities were ¥73,078 million, a decrease of ¥3,266 million compared with that at the end of the previous fiscal year. This was primarily due to a decrease in long-term loans payable of ¥4,197 million.

As a result, total liabilities were ¥174,384 million, an increase of ¥17,381 million compared with that at the end of the previous fiscal year.

As of December 31, 2024, total net assets were ¥284,229 million, an increase of ¥3,764 million compared with that at the end of the previous fiscal year. This was primarily due to an increase in retained earnings of ¥7,340 million, offset by a decrease in valuation difference on available-for-sale securities of ¥5,048 million.

As a result, the equity ratio totaled 50.7%, compared with 52.3% at the end of the previous fiscal year.

(3) Qualitative Information Regarding Consolidated Forecasts

The Company has revised the full-year consolidated results forecasts published on May 10, 2024 in consideration of recent performance trends.

With regard to Takara Shuzo, net sales are projected to be lower than the previous forecast (announced on May 10, 2024), and gross profit is expected to decrease and be lower than the forecast due to a rise in cost-sales ratio resulting from increased container and packaging costs and the effects of exchange rates.

With regard to the Takara Shuzo International Group, although net sales and gross profit are projected to be higher than the forecasts, operating income is expected to be lower than the forecast due to an increase in SG&A expenses including personnel and warehouse expenses.

Net sales and operating income for the Takara Bio Group are also projected to be lower than the forecasts due to a further slump in the life sciences research and development market and intensifying product and service price competition in response to the effects of prolonged inflation in Europe and the U.S. and the economic stagnation in China.

As a result, operating income, ordinary income, and net income attributable to owners of parent are expected to fall short of the previous forecasts for the Takara Group as a whole.

For the details of forecasts for each business segment, please refer to pages 8/13-11/13 in “Supplement for the Consolidated Financial Statements for the Third Quarter Ended December 31, 2024” announced today.

Auditor's Conclusion

We have reviewed the accompanying consolidated quarterly financial statements of Takara Holdings Inc. and its consolidated subsidiaries (collectively, the “Group”), which comprise the consolidated quarterly balance sheets as of December 31, 2024 (from October 1, 2024 to December 31, 2024) and the consolidated quarterly statements of income and the consolidated quarterly statements of comprehensive income for the nine months ended December 31, 2024 (from April 1, 2024 to December 31, 2024), and the related notes.

Based on our interim review, nothing has come to our attention that causes us to believe that the accompanying consolidated quarterly financial statements are not prepared, in all material respects, in accordance with Article 4, Paragraph 1 of Standards for Preparation of Quarterly Financial Statements of Tokyo Stock Exchange, Inc. (the “Standards”) and accounting principles for quarterly financial statements generally accepted in Japan, applying the provisions for reduced disclosures as set forth in Article 4, Paragraph 2 of the Standards.

Basis for Auditor's Conclusion

We conducted our interim review in accordance with interim review standards generally accepted in Japan. Our responsibilities under those standards are further described in the “Auditor’s Responsibilities for the Interim Review of the Consolidated Quarterly Financial Statements” section of our report. We are independent of the Group in accordance with the regulations regarding professional ethics required in Japan, and we have fulfilled our other ethical responsibilities as auditor. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our conclusion.

Responsibilities of Management, Audit & Supervisory Board Members, and the Audit & Supervisory Board for the Consolidated Quarterly Financial Statements

Management is responsible for the preparation and presentation of the consolidated quarterly financial statements in accordance with Article 4, Paragraph 1 of the Standards and accounting principles for quarterly financial statements generally accepted in Japan, applying the provisions for reduced disclosures as set forth in Article 4, Paragraph 2 of the Standards. This includes the designing and operation of such internal controls as management determines is necessary to enable the preparation of consolidated quarterly financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the consolidated quarterly financial statements, management is responsible for assessing the Group’s ability to continue as a going concern, and disclosing, as applicable, matters related to going concern in accordance with Article 4, Paragraph 1 of the Standards and accounting principles for quarterly financial statements generally accepted in Japan, applying the provisions for reduced disclosures as set forth in Article 4, Paragraph 2 of the Standards.

Audit & Supervisory Board Members and the Audit & Supervisory Board are responsible for monitoring the Directors’ execution of duties relating to the design and operation of the Group’s financial reporting process.

Auditor's Responsibilities for the Interim Review of the Consolidated Quarterly Financial Statements

Our responsibility is to express a conclusion on these consolidated quarterly financial statements from an independent standpoint based on our interim review in our report on the interim review of consolidated quarterly financial statements.

As part of our interim review in accordance with interim review standards generally accepted in Japan, we exercise professional judgment and maintain professional skepticism throughout the review. We also:

- Make inquiries, primarily of management and persons responsible for financial and accounting matters, and apply analytical and other review procedures. An interim review is substantially less in scope than an audit for the fiscal year conducted in accordance with auditing standards generally accepted in Japan.
- Conclude, based on the evidence obtained, whether nothing has come to our attention that causes us to believe that the consolidated quarterly financial statements are not prepared in accordance with Article 4, Paragraph 1 of the Standards and accounting principles for quarterly financial statements generally accepted in Japan, applying the provisions for reduced disclosures as set forth in Article 4, Paragraph 2 of the Standards, if a material uncertainty relating to events or conditions comes to our attention that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report on the interim review of consolidated quarterly financial statements to the related notes in the consolidated quarterly financial statements or, if such notes are inadequate, to express a qualified conclusion or an adverse conclusion. Our conclusions are based on the evidence obtained up to the date of our report on the interim review of consolidated quarterly financial statements; however, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate whether nothing has come to our attention that causes us to believe that the presentation and notes in the consolidated quarterly financial statements are not prepared in accordance with Article 4, Paragraph 1 of the Standards and accounting principles for quarterly financial statements generally accepted in Japan, applying the provisions for reduced disclosures as set forth in Article 4, Paragraph 2 of the Standards.
- Obtain sufficient evidence regarding the financial information of the entities or business activities within the Group as a basis for forming an opinion on the consolidated quarterly financial statements. We are responsible for the direction, supervision and review of the audit work performed for the interim review of the consolidated quarterly financial statements. We remain solely responsible for our review conclusion.

We communicate with Audit & Supervisory Board Members and the Audit & Supervisory Board regarding the planned scope and timing of the interim review, and significant review findings that we identify during our review.

We also provide Audit & Supervisory Board Members and the Audit & Supervisory Board with a statement that we have complied with relevant ethical requirements regarding independence in Japan, and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied to reduce threats to the acceptable levels.

Interest

Our firm and its engagement partners do not have any interest in the Group which is required to be disclosed pursuant to the provisions of the Certified Public Accountants Act of Japan.
