## Announcement Regarding the Cumulative Arrangement Amount Exceeding JPY 4 Trillion in the Leasing Fund Business

Financial Partners Group Co., Ltd. (FPG) is pleased to announce that the cumulative arrangement amount in our Leasing Fund Business has exceeded JPY 4 trillion as of the end of March 2025.

Under our corporate philosophy of “Embracing the future through finance,” FPG supports cash flow management for our clients, primarily small and medium-sized enterprises. In our first pillar, the Leasing Fund Business, we provide investment opportunities in operating lease projects that utilize assets with stable demand, such as aircraft, ships, and marine containers.

As a leading company in Japanese operating leases, FPG will continue to contribute to the creation of a strong and prosperous society by providing attractive products and meticulous services to customers nationwide.
