Notice Concerning Acquisition of CASBEE Certifications for Real Estate

Daiwa Securities Living Investment Corporation (hereinafter referred to as the “Investment Corporation”) hereby announces that 2 of the properties owned by the Investment Corporation acquired CASBEE certifications for Real Estate.

With this latest acquisition of the certifications, the Investment Corporation owns a total of 30 green building certified properties, representing 23.4% of the entire portfolio properties (based on total floor area of the portfolio properties).

I. Overview of CASBEE certifications for Real Estate

“CASBEE (Comprehensive Assessment System for Built Environmental Efficiency)” is a method for evaluating and rating the environmental performance of buildings as well as a comprehensive evaluation system for the environmental performance of buildings including consideration to the surrounding landscape in addition to the aspects of environmental load reduction such as energy and resource saving and recycling performance. CASBEE for Real Estate Certification evaluates buildings completed no less than one year prior, and is evaluated with one of the four ratings of Rank S, Rank A, Rank B+, or Rank B.

For the details of CASBEE certifications for Real Estate, please refer to the following.
