Travelko Hotel Search and Comparison System Provided to Hotel Comparison Platform Operated by Leading Korean Travel Company TIDESQUARE

OpenDoor Inc. (Headquarters: Minato-ku, Tokyo; President and CEO: Daisuke Sekine), which operates Japan's leading travel comparison site "Travelko" (<https://www.tour.ne.jp/>) as well as the multilingual travel comparison site "Travelko" (<https://www.travelko.com/>), is pleased to announce the launch of its hotel search and comparison system on the hotel comparison platform operated by TIDESQUARE Co., Ltd. (Headquarters: Seoul, South Korea; CEO: Min Yoon), a leading Korean travel company, on June 4, 2025.

Travelko Hotel Search and Comparison System Enhances TIDESQUARE's Hotel Comparison Site

TIDESQUARE Co., Ltd. is one of South Korea's leading travel platform providers, developing and operating a wide range of services that include airline tickets, hotel packages, and tours. To further enhance the convenience for users of its hotel comparison site, TIDESQUARE has adopted the Travelko hotel search and comparison system, which officially launched on June 4, 2025. With this integration, users can now search and compare accommodation plans from over 50 travel booking websites in a single search. The system enables travelers to easily find the best-priced plans that suit their individual needs, significantly enhancing the overall convenience and usability of the platform.

■ About TIDESQUARE Co., Ltd.

TIDESQUARE Co., Ltd. is one of South Korea's leading travel companies, headquartered in Seoul. Known as a travel technology company, TIDESQUARE develops and operates a wide range of travel brands, from full-service online travel platforms such as Tourvis, PRIVIA Travel, and Kyte, to hotel comparison websites.

Leveraging its unique data capabilities and advanced technological expertise, the company ranked among the top three travel agencies in South Korea in terms of air ticket sales from 2021 to 2023, solidifying its strong position within the industry.

■ About Travelko (Multilingual Travel Comparison Site)

Travelko.com is a multilingual travel comparison site designed for international travelers including Japan Inbound. The platform enables users to compare travel products from over 50 travel websites and offers accommodation searches in Korean, English, Simplified Chinese, and Traditional Chinese (Taiwan & Hong Kong), covering hotels in Japan and around the world.

■ About Travelko (Japanese Site)

Travelko (<https://www.tour.ne.jp/>) is one of Japan's largest travel comparison platforms, enabling users to compare travel offerings from more than 1,500 domestic and international travel sites. The service covers a wide range of travel products, including hotels, airline tickets, package tours including packages such as hotel & flight and Shinkansen & flight, optional tours, rental cars, highway buses, overseas Wi-Fi routers, and international travel insurance, making it easy to find the lowest-priced products that meet customers' requirements.
