**Announcement Regarding the Conclusion of an MOU with Dr. Agarwals Eye
Hospital in the myopia control management field in India**

Menicon Co., Ltd. (hereinafter, “the Company”) announced that the Company concluded the Memorandum of Understanding (MOU) on Monday, June 9, 2025, for the research and development of the myopia control management project with Dr. Agarwals Eye Hospital (hereinafter Dr. Agarwals), a top-level ophthalmic hospital group in the field of ophthalmology in India.

The Company is conducting a clinical study in India to investigate the safety and effectiveness for myopia control management in Indian children using orthokeratology lenses "Menicon Bloom Night™."

While myopia control management with orthokeratology are still in the early stages of adoption in India, the Company will work together with Dr. Agarwals to promote study and dissemination to solve the problem of myopia progression in India through this partnership.
