**Notice of Publication of the “Integrated Report 2025”**

Daiwa Securities Group Inc. is pleased to announce the publication of its “Integrated Report 2025.”

This year’s report highlights the progress and challenges in the first year of our three-year medium-term management plan, formulated and announced in April 2024. It presents our future growth strategies from both financial and non-financial perspectives, incorporating insights from outside directors and executive management. The report is structured to balance clarity and practicality, focusing on key points that need to be communicated.

We have also released a video on YouTube explaining the main highlights of the report. We encourage you to view it alongside the report.

Through this publication, we hope to convey more deeply the stance of Daiwa Securities Group in pursuing both stability and growth based on trust, as well as the strengths of our company.

We will continue to enhance the content of our integrated reports and strive for proactive communication and fair, timely, and appropriate information disclosure to improve corporate value.
