

**Endorsement of the Taskforce on Nature-related Financial Disclosures
(TNFD) Recommendations and Participation in the TNFD Forum**

Toagosei Co., Ltd. (Hidenori Kobuchi, Representative Director, President & COO) is pleased to announce that it has expressed its endorsement of the disclosure recommendations of the Taskforce on Nature-related Financial Disclosures (TNFD) (Note 1) and, as of August 2025, has joined the “TNFD Forum” (Note 2). Nature-related disclosures aligned with the TNFD Framework are scheduled to commence in late February 2026.

Guided by our sustainability policy—“We take up the challenge to create new value to deliver happiness to future generations”—the Toagosei Group is advancing initiatives that contribute to the development of a sustainable society. As with our efforts to address climate change and promote the circular economy, we regard biodiversity conservation as a key issue.

Through this participation, the Toagosei Group will advance the development of a framework for the appropriate assessment and disclosure of risks and opportunities related to natural capital and biodiversity, and will actively work to realize sustainability across society and enhance resilience.

Note 1: An international initiative for companies and other organizations to appropriately assess and disclose risks and opportunities related to natural capital and biodiversity in their business activities
