## Travelko Launches New Partnership with Traveloka for International Flight Bookings Enhancing Convenience through Expanded Booking Site and Price Options

---

On November 6, 2025 (Thursday), OpenDoor Inc. (Minato-ku, Tokyo; President and CEO: Daisuke Sekine), operator of Japan's leading travel comparison site Travelko (<https://www.tour.ne.jp/>), began affiliation with Traveloka, Southeast Asia's leading all-in-one travel platform, for its international flight comparison service.

### Expanding Booking Site and Price Options through Partnership with Traveloka

The Travelko International Flight Comparison Service enables users to search and compare international airfares offered by multiple travel agencies and airlines in a single search. As of November 6, 2025 (Thursday), the affiliation with Traveloka has launched, allowing users to search and compare airfares provided by Traveloka directly on Travelko.

Through this partnership, users can now search and compare airfares from over 250 airlines worldwide handled by Traveloka, further expanding the range of booking sites and price options available.

This new collaboration with Traveloka makes Travelko's international flight comparison service even more convenient, helping travelers find better deals and enjoy more comfortable journeys.

Travelko will continue to value a thorough customer-oriented approach and remain committed to delivering services that promptly and accurately meet the needs of all users, providing even greater satisfaction.

| From budget to luxury travel                  | From budget plans to luxury plans including business class and five-star hotels, you can find the lowest priced plan that meets your desired conditions from a wide range of options.                                                                                                                                                                                                                                   |
| Easy comparison from the abundant information | Abundant information available on each plan, you can compare and consider even the most detailed conditions on Travelko without having to repeatedly switch between booking sites.                                                                                                                                                                                                                                      |
| Accuracy of price and information             | To prevent situations where a plan is sold out or prices have changed on booking sites, we strive to keep availability information constantly updated. We also list the total price including taxes and fees to ensure it matches the price at the time of booking as closely as possible.                                                                                                                              |
| Commitment to Reliability                     | We have established strict screening criteria, including a review of financial statements, for all booking sites listed on our site. For overseas sites in particular, we clearly indicate whether they offer support in Japanese and list common complaints. In the unlikely event of a problem with a booking site, Travelko will provide necessary support, ensuring a secure and reliable environment for your use. |

Travelko has always been and will continue to be committed to providing the most affordable, convenient, and friendly service possible, and we will do our utmost to support your travel needs.
