Subsidiary Sun Digital Health to Launch “myWaves,” a Sleep Support Product, in Japan and begin accepting pre-order

SUNCORPORATION (Headquarters: Nagoya City, Aichi Prefecture; President and CEO: Ryusuke Utsumi; TSE Standard: 6736; hereinafter, the “Company”) announces that its subsidiary, Sun Digital Health, Inc., has commenced the domestic launch in Japan of “myWaves,” a sleep-support product utilizing personalized brainwave sound technology, and has begun accepting pre-orders.

“myWaves” is designed to promote a relaxing sleep environment by delivering delta wave-based sounds customized to each individual user prior to sleep. The product employs an audio-based sound therapy approach and is intended for use in everyday sleep settings.

The product was developed in France. In Japan, sales, marketing, and customer support will be handled by the Company’s subsidiary, Sun Digital Health, Inc. The global product name, “myWaves,” will also be used in the Japanese market.

Through the development of new products and services in the digital health field, the Company aims to expand its presence in the wellness market and enhance corporate value over the medium to long term.

With regard to the impact of this matter on the Company’s consolidated financial results, the Company currently expects it to be minimal. However, should any matters requiring disclosure arise in the future, the Company will make a prompt announcement.
