Notice Concerning Reorganization and Personnel Change

Yorozu Corporation (the "Company") hereby announces that the following reorganization and personnel change will be implemented, effective April 1, 2026.

1. Purpose of the Reorganization

The Company will establish the Production Planning Department effective April 1, 2026, with the aim of optimizing its production system from a medium- to long-term perspective and strengthening the effective utilization of facility assets. The new department will assess and analyze the current stamping and painting capabilities, as well as production space, across its domestic and overseas manufacturing sites to study the optimal allocation and layout of facilities, including potential expansion and transfer between sites. The department will also develop integrated plans for facility repairs and updates and promote their timely implementation.

2. Details of the Reorganization

The Production Planning Department will be established in the Manufacturing Function Group.

3. Personnel Change (Effective April 1, 2026)

Name	New Position	Current Position
Yoshiki MIURA	Chief Vice President General Manager of Production Planning Dept.	Chief Vice President General Manager of Manufacturing Engineering Dept.
