English Version of Idemitsu Integrated Report 2026 Released

Idemitsu Kosan Co., Ltd. (hereinafter “Idemitsu”) today published the English version of Idemitsu Integrated Report 2026 on its corporate website.

This report presents FY2025 financial and non-financial information, initiatives to create value through our business activities, and our approach to medium- to long-term growth. It is intended to communicate to stakeholders in Japan and overseas the progress of Idemitsu and its Group companies in enhancing corporate value over the medium to long term.

The 2026 edition includes messages from management on achieving the [new Medium-term Management Plan \(FY2026-FY2030\)](#), as well as specific initiatives and key drivers. It clearly illustrates the path toward achieving the plan. With the publication of the English version, we aim to communicate our Group’s initiatives more widely to stakeholders overseas. We invite you to read the report.

The English version also adopts a landscape layout, making it easy to read on PCs and tablets. It also features a variety of navigation functions that enable readers to access information of interest smoothly.

We are advancing initiatives to realize our Vision for 2030, “Your Reliable Partner for a Brighter Future.” Aiming to achieve a carbon neutrality society and a circular society by 2050, we will continue taking on challenges to provide for society across a wide range of fields as a company that creates energy, develops materials, and helps shape the future.
